LinkedIn: [Vaibhavi Kapadia](#)

Currently I am in my 3rd year of pursuing a Bachelor of Software Engineering degree at the University of the South Pacific.

Work Experience

Chotubhai &co., Toorak, Suva— Part-Time Sales & Cashier

2021 - Nov 2023

This job entails pricing the products and arranging them on the shelves.

Customer servicing, especially during the busy Back to School schedule, and collecting customers purchases.

Selfie Boutique, Waimanu Road, Suva— Sales

December 2023 - February 2024

Similar to my previous experience, I helped customers select their dream outfits. This job brought forth my problem-solving skills majorly.

Packleader, Centerpoint, Suva— Software and Web Development (IT Intern)

January 2025 - April 2025

I was appointed to develop an Asset Management System. Alongside, I also learned the hardware side of IT whereby I assisted my coworkers with any issues with their technologies firsthand.
