Currently I am in my 4th year of pursuing a Bachelor of Software Engineering degree at the University of the South Pacific.

Work Experience/Leadership

Chotubhai & co., Toorak, Suva— Part-Time Sales & Cashier 2021 - Nov 2023

This job entails pricing the products and arranging them on the shelves. Customer servicing, especially during the busy Back to School schedule, and collecting customers purchases.

Packleader, Centerpoint, Suva— Software and Web Development (IT Intern) January 2025 - July 2025

I was appointed to develop an Asset Management System. Alongside, I also learned the hardware side of IT whereby I assisted my coworkers with any issues with their technologies/software firsthand.

STEMP Research Assistant, USP, Laucala Campus— Artificial Intelligence and Indigenous Knowledge December 2025 - Present

Supervised by **Dr. Bibhya Sharma**, I was appointed to assist with researching about using and incorporating Artificial Intelligence and Indigenous Knowledge into daily and academic life.
